

## « 8<sup>th</sup> Meeting of the coordination committee of the Organization of Islamic Cooperation on Tourism»

03 May 2023, Republic of Azerbaijan

The Islamic Center for Development of Trade took part in this important meeting on intra-OIC tourism!

Under the chairmanship of the Republic of Azerbaijan, the meeting discussed on Wednesday in Baku the implementation of the resolutions of the Islamic conferences of tourism ministers, in particular the resolutions of the 11th session of the ICTM and other programs and OIC projects in the field of tourism.

The opportunity was seized by the ICDDT to invite the 57 Member States of the OIC to participate massively in the 3rd tourism fair which will be held from 20 to 22 in Doha and which will bring together the biggest players in the sector in the world

The current criteria for the selection of the “OIC City of Tourism” Award were notably examined during this meeting with a view to improving the selection process.

The end of the work of the 8th meeting of the OIC Coordination Committee on Tourism was marked by the adoption of an outcome document in accordance with the resolutions of the CIMT, which will be submitted to the relevant forums of the OIC in the coming days.

In the meantime, the world of tourism invites you to Qatar in November!
