

## Workshop on Developing digital trade in Africa for the benefit of African OIC member countries

8-10 January 2024, Casablanca, Kingdom of Morocco

On Monday, January 8, 2024, in Casablanca, Mrs. Latifa El Bouabdellaoui, the Director General of the ICDT, inaugurated a workshop on "Developing digital trade in Africa" for the benefit of African OIC member countries. This three-day event, jointly organized by the ICDT and the Ministry of Industry and Commerce of the Kingdom of Morocco, aligns with the Kingdom's initiatives related to the African Union's theme for the year, focusing on "Accelerating the implementation of the African Continental Free Trade Area, AfCFTA. The workshop will delve into the opportunities and challenges associated with digital trade in Africa, especially considering the growing importance of digital trade at international level.
