1st Edition

274,200 KM2 of investment potential

Ouagadougou, October 9 and 10, 2025.

The International Forum Invest in Burkina Faso is an event organized by the **Ministry of Industry, Trade and Handicrafts** through the **Burkinabe investments Agency** in collaboration with the **Chamber of Commerce and Industry of Burkina Faso** and the **Agency for the Promotion of Exports of Burkina Faso**.

Under the Distinguished Patronage of His Excellency, Captain Ibrahim TRAORÉ, President of Faso, this forum provides a unique platform for exchange and networking among national and international investors, entrepreneurs, and administrative authorities.

Why attend?

- **Access investment projects** in key growth sectors such as energy, agriculture, industry, ICT, infrastructure, etc.
- **Meet key decision makers and investors** during exclusive networking sessions.
- **Discover incentives and new reforms** that promote an attractive business environment.
- **Expand your international network** and create lasting partnerships.
- **Explore Burkina Faso** through its sights.

High-level speakers:

- Government officials,
- Investors and entrepreneurs,
- Financial institutions.

A rich and dynamic program

1. Opening ceremony under the Distinguished Patronage of His Excellency the President of Faso: Scheduled from the first day of the forum, it will be hallmarked by official speeches.

2. Inaugural conference on the *"Structural Investments for a sovereign Burkina Faso"*,
This conference will provide a global vision of strategic sectors defined by the Government as well as priority investments.

3. Presentation of investment projects and regulatory framework: This session will highlight the regulatory framework, including incentives and investor support mechanism. It will also present mature structural investment projects seeking funding.

4. High-level meeting between the Head of State and investors This exclusive exchange will provide a platform to set out Burkina Faso's development priorities, the Government's expectations of investors, as well as those of
Theme

5. Company tours
These tours will allow to better understand the economic potential of the country and strengthen investor confidence.

6. The Night of Investor Countries This recognition night aims to express the gratitude of the Burkinabe nation to national and international investors. It will also contribute to the strengthening of economic diplomacy.
