

"Empowering and transforming the operations of IPAs in LDCs."

10 May 2023, Abu Dhabi, United Arab Emirates

Ms. Latifa Elbouabdellaoui, the Director General of ICDT, took the stage as a distinguished speaker during the session on "Empowering and transforming the operations of IPAs in LDCs." The panel discussions organized by WAIPA, IsDB and EIF aimed at supporting and refining the Investment Promotion Agencies' strategy in engaging with the private sector, from the attraction stage to the facilitation stage and aftercare of investment.

Powerful insights from Ms. El Bouabdellaoui, during her speech at the event. Highlighting the significance of promoting intra-OIC investments for ICDT's mission. Exciting updates on the conclusions of a report, co-developed by ICDT and IsDB, shedding light on investment flows, the investment climate, and opportunities in the OIC area. Stay tuned for more information on the IPAs capacity building program, a new initiative by ICDT.
