Delegates are informed that, for security reasons, processions will be limited and access to security zones will only be authorized by the Cameroonian authorities for authorized official convoy vehicles.

➤ Arrival and Departure

The arrival and departure flights of all delegations will mainly be via the “Yaoundé - Nsimalen” International Airport. However, if it happens that a Delegate is traveling on a flight landing in Douala, he or she is asked to report so that the Douala Protocol and Consular Antenna can take the necessary steps.

➤ Formalities on arrival

- a) Protocol officers will welcome Heads of Delegation, investors and invited personalities;
- b) Desks will be allocated to enable participants to carry out security procedures;
- c) An office will be assigned for health procedures;
- d) Baggage handlers assist participants in collecting and transporting their luggage;

➤ Visas and residence procedures

Each participant must hold a passport with a validity of at least 6 months at the time of visa application.

Participants who request an entry visa (the list of countries whose nationals are visa exempt is indicated on the platform), they can obtain online at www.evisacam.cm, subject to payment of the visa fees and downloading of required documents.

E-visa holders are requested to print the QR code to present it at the embarkation and disembarkation airports.

Furthermore, the Cameroonian authorities will grant visas to delegations upon their arrival at Yaoundé airport.

➤ Departures

Protocol officers will be present at the airport to assist Forum guests with departure formalities.

Counters are open for the registration of delegations leaving through the international airports of Yaoundé-Nsimalen or Douala in order to help them travel and register their personal effects.

➤ **Welcoming and meeting point**

Officials from the Directorate of Protocol, Ceremonial and Consular Affairs of the Ministry of External Relations receive the delegations and direct them to the hotels and meeting locations at the times indicated in the program.
