

**Workshop on “Market Access and Management of Value Chains for the Benefit of Women owned Enterprises and Cooperatives in Organization of Islamic Cooperation (OIC) French Speaking Countries”
21 October 2024, N’Djamena – Chad**

This morning, October 21st, the Islamic Centre for Development of Trade (ICDT) launched a workshop on “Market Access and Management of Value Chains for the Benefit of Women owned Enterprises and Cooperatives in Organization of Islamic Cooperation (OIC) French Speaking Countries” in N'Djamena, Chad.

Running until October 25th, the workshop was inaugurated by H.E. Guibolo Fanga Mathieu, Minister of Trade and Industry, and attended by H.E. Mrs. Fodeibou Nimat Baroud, Vice-President of CCIAMA, Dr. Mamoudou Bocar Sall, Director General Assistant of Islamic Center for Development of Trade (ICDT), and TFO Canada expert Mr. Amin Laghidi.

The training aims to help women from Chad, Cameroon, Guinea Conakry, Benin, and Burkina Faso enhance their skills in management, leadership, and communication.
