

**ICDT moderated a series of impactful panels
during the ICDT Invest Days Banjul
2-3 May 2024, Banjul, Republic of The Gambia**

Following the Opening Ceremony, ICDT moderated a series of impactful panels on investing in The Gambia:

Session A: Why Invest in The Gambia – Smiling Coast of Africa: Highlighted the unique opportunities and attractions that make The Gambia a prime investment destination.

Session B: Investment Panel on Business Environment and Risk Management: Discussed strategies for navigating the local business climate and managing associated risks effectively (moderated by ICDT's Director General)

Session C: Investment Panel on Financing Structures: Explored innovative financing options and structures tailored to support sustainable growth and development.

The discussions offered deep insights into optimizing investments in The Gambia, fostering economic growth, and building strong, sustainable partnerships.
