

Workshop on digitalisation of services in investment promotion of OIC Member Countries

19 to 20 December 2022 – Casablanca – Kingdom of Morocco

ICDT and ISDB co-organize jointly a workshop on digitalisation of services in investment promotion of OIC Member Countries in Casablanca today till 20 December 2022. This workshop is to promote digital transformation and provide some guidance to IPAs of OIC Member Countries to prepare and implement a digital transformation roadmap that will enhance the private sector Investment development. Mrs Latifa Elbouabdellaoui DG of ICDT, delivered an opening speech on the importance of Services digitization of IPAs on attracting Intra-OIC FDIs.
